DESCRIPTION

Darrius is an actor that appreciates and loves the entertainment industry and the ability to tell others stories through the art of writing and acting. After co-writing a book entitled "The Freedom Writers Diary" the book later turned into a film called "Freedom Writers in 2007. This introduced Darrius to Hollywood by simply being a technical consultant and a extra on the film. After this introduction Darrius recognized that he wanted to be part of this industry for the rest of his days. After, Darrius attended El Camino/Compton college where he became the resident play-write and studied under the leadership of former actor and professor Dr. Pieter Van Neil. After taking some time to work the average nine-five to pay bills and support his family. Darrius realized that he is most happiest when helping create by acting & Writing for the big screen.
